## Introduction to the Battersea Academy Grant Programme

Battersea are delighted to launch their Academy Grant Programme. Designed to complement the work begun on attendance at an Intensive Academy Course, applicants are encouraged to consider whether in implementing their 'Change Plan', a small financial grant will assist in delivery

### Section 1: Background to the funding

Through the Academy, Battersea aims to improve the standards of animal welfare across the rescue and rehoming sector and help educate the wider public on animal welfare issues, responsible ownership as well as the joy, comfort and wellbeing, dogs and cats bring to all our lives

The Grants Committee will consider all Applications that fall within the Programme guidelines. However, the Committee is primarily interested in Applications which **clearly identify the need for a grant** in helping to bring about change following your completion of an Academy Programme

We anticipate a strong demand for grants and so cannot offer any guarantees that funding will be provided to all eligible applicants

**We also require you to submit your safeguarding policy as part of the Grant Application process. In the absence of a safeguarding policy, we will work with you to develop one and ensure that you understand safeguarding requirements prior to any funding being given and project work commencing**

Please note that Battersea may choose not to work with partners/grant recipients, put specific conditions into partnership/grant agreements, or end partnerships/grants based on partners'/grant applicants'/grant recipients' safeguarding policies and their implementation of these

### Section 2: Aims of the Grant Programme

This Programme has been designed for colleagues to apply for a Grant to help bring about lasting change as a result of having attended a Battersea Academy programme

What we **WILL** consider funding:

Necessary equipment, small capital development, consultant costs (e.g. for building work, site development, IT, animal behaviourists), food preparation areas, laundry equipment, marketing and fundraising initiatives

What we **WILL NOT** fund

Ongoing veterinary costs, general running costs (rent, utilities, existing head count salaries)

### Section 3: Who can apply

A rescue / shelter organisation which has attended a Battersea Academy Intensive / week-long Programme. Applicants can apply for a grant of up to the equivalent of £10,000 (Sterling £)

Attendance at a one-day course **does not** qualify application for an Academy Grant

### Section 4: How much is available

In 2020 we expect to make at least 7 awards from a total fund of £100,000

### Section 5: Funding Stipulations & General Guidelines

- Your Application must be directly linked to 'change' which has originated from attendance at an Academy 'Intensive' / week-long programme
- Only one Application per shelter / rescue can be considered each calendar year
- In the instance we have many more Applications than we have funding for, priority will be given to those Organisations with a gross annual income of below £200,000
- Please note we **CANNOT** fund retrospectively – i.e. we cannot cover the cost of items already purchased or projects already completed
- Funded activity must be completed within six months of the Grant being awarded (date on signed Grant Agreement). Failure to comply will mean we will request the full grant to be repaid, (unless the applicant has spoken to the Grants Manager as soon as a delay to spending the funds becomes apparent)
- Please ensure you complete all sections and send in accompanying information that is requested. Failure to do this will result in an incomplete Application which cannot be considered by the Grants Committee
- Please ensure that any enclosed documents, are clearly identified with the name of your Organisation
- Please note that it's not just your responses on the application form that we consider. The Grants Committee will also take into account;
  - Your financial position
  - For Grant holders of other Battersea programmes – their timeliness in submitting progress reports and case studies

- In the instance that not all of the Grant is spent, you must contact the Grants Manager in the first instance who will discuss the use of the remaining funds
- Please ensure you retain receipts for items purchased over £100. We may ask to see copy receipts for audit purposes
- Budget information – for guidance

Please find a list at Appendix 1. If you apply for items not listed and which cost in excess of £100, the Committee may not award the full amount unless you make a compelling case

### **Section 7: Monitoring Requirements**

Grant Recipients will be required to complete a monitoring form / case study, to demonstrate what has been achieved through receiving a Grant from Battersea and the benefits to dogs and/ or cats

### **Section 8: How we will assess your bid**

All Applications will be assessed by the Battersea Grants Manager and Grants Committee against programme criteria and scored. The Battersea Grants team may also contact applicants for further clarification. Financial information will be scrutinised, and will help inform the final outcome
