

Every little helps

Don't underestimate the power of smaller fundraising ideas – every penny helps you reach that all-important milestone.

Jargon Busting Jars

Finally get rid of the jargon that secretly drives everyone mad with a £1 fine every time someone mentions phrases like 'blue sky thinking' or 'touching base offline.'

A tea-rific effort

Offer to make your colleagues' tea every day for a month and they'll be positively scrabbling to open their wallets! Just make sure you stick to some agreed timings so you can still get some work done.

And a few more ideas...

Bad tie day, bring your dog to work day, movie night, football match or penalty shootout, donation tin in your office (we can send you one if you'd like – just get in touch), auction of promises, sweepstake.

Money making tips

What can your office do for you?

Have you got an internal bulletin you could mention your fundraising in? Could you put posters up? Does your company do a matched giving scheme? If you don't ask you don't get!

Use our resources

giftaid it

Encourage your sponsors to add Gift Aid to their donations if they are a UK tax payer – it won't cost them any extra.
